

Sutherland Dianella School Song

Oh we're from Sutherland Dianella
We're from Sutherland Dianella,
We've got the Gogo fish
State emblem was our wish
We wear with pride and we look swish

For we're from Sutherland
We show commitment til
The final siren's gone
Tradition of old
We give it our all
Cause we're from Sutherland
- NAVY and TEAL-
Cos we're from Sutherland

Oh we're from Sutherland Dianella
We're from Sutherland Dianella,
Where we use technology
Responsibility
Strickland! Elliot! Hawkes! Kirby!

For we're from Sutherland
We show respect until
The final siren's gone
Tradition of old
We give it our all
Cause we're from Suther
- ONLY OUR BEST-

Cos we're from Sutherland

Gogo Fish Song

Gogo Fish, state fossil emblem, we wish.

Dr John Long, Perth's palaeontologist, found the fish.

Gogo fish, very ancient very rich.

Lived 360 million years ago, ain't they swish?

Just cast an eye to the Kimberley region,

Oh me oh my, ain't that amazing?

Gogo fish, they have plated, armoured skin.

All the fossils found are three dimensional, Gogo fish.
