

Term 2 Newsletter

Welcome to Term 2!

As you are aware this term there has been a change in teachers. Miss Porschia Dickey will be teaching in B4 on Mondays, Tuesdays and Wednesdays and Ms Robyn Wheatley will teach on Thursdays and Fridays. Please come in and say hello and introduce yourself to us we would love to know who you are. We are happy to have a quick chat to you in the mornings or alternatively you can organise a meeting with us so we can discuss any issues.

We are also able to be contacted via email. Our email addresses are

Porschia.Dickey@education.wa.edu.au and Robyn.Wheatley@education.wa.edu.au

The classroom door will be open at 8.25am each morning, students are asked to read the morning message on the board with an adult before entering the class. Once inside they should get themselves organised for their day (chair, pencil case, sharpen lead pencil/s). They may also be asked to complete a morning activity or complete any unfinished work from the previous day. **Any students who arrive after the siren at 8.40am will have to go to the office to get a late slip.**

Important Dates

We are in for an exciting Term 2. Currently the Book Fair is on in the library for this week and next week. Our assembly is in Week 4 on **Wednesday 17 May**. Assembly runs from 8.40am to approximately 9.20am.

On that day we ask that the children come to school in a brightly coloured t-shirt (faction t-shirts are ok) and wearing their school shorts. If wearing a different t-shirt other than the school faction shirt, students will need to get changed back into their school t-shirt after the assembly.

Crunch and Sip

Every day at 10am we have Crunch and Sip in the classroom. Your child is welcome to bring in a piece of fruit or some vegetables.

Homework

Homework for this term will consist of spelling (words will be given out on Mondays with the test being on Fridays) and weekly reading (please sign and comment in the reading record). Both need to be returned on Fridays.

Library

A reminder that our Library day is on Tuesdays and in order to borrow a book students need to have returned their library book from the previous week; and have a library bag. We encourage all students to borrow a book from the library each week.

Hats and Water Bottles

Please ensure your child has a drink bottle with their name clearly marked on it and a hat so they can play outside at recess and lunch time.

Thank you
Miss Dickey and Ms Wheatley
