

Dear Parents and Carers,

Welcome back to a new school year and an exciting opportunity in your child's Music education. This year brass lessons are scheduled as follows:

Year 6: Thursday 1:00pm

Year 5: Thursday 1:30pm

From Term Two, School of Instrumental Music students will have the opportunity to perform for the school at each end of term assembly, and there will be other opportunities to collaborate and perform with other musicians throughout the year. Please support and encourage your child's practice, the degree of success they achieve is in direct proportion to the number of minutes and hours spent practising.

During their first lesson, your child will meet their teacher as well as receive their journal. The journal is a critical resource for the students' planning and reflection. If you have any queries or concerns regarding your child's instrumental class, this is the first point of contact with the instrumental teacher.

An information session will be held on Thursday 9 February at 3:15 in the Music room to provide a forum for any questions you may have regarding the program.

Thank you for your continued support.
