

Dear Parents and Carers,

Welcome back to a new school year and an exciting opportunity in your child's Music education. This year brass lessons are scheduled on Monday with Year 6 at 9.55am and Year 5 at 10.25am. Year 5 parents please find attached a loan agreement for your child's instrument. A loan amount of \$110 is payable to the school, which is then passed on to Instrumental Music School Services to cover depreciation, maintenance, repairs etc.

From Term Two, Instrumental Music School Services students will have the opportunity to perform for the school at each end of term assembly, and there will be other opportunities to collaborate and perform with other musicians throughout the year. Please support and encourage your child's practice, the degree of success they achieve is in direct proportion to the number of minutes and hours spent practising.

During their first lesson, your child will meet their teacher as well as receive their journal. The journal is a critical resource for the students' planning and reflection. If you have any queries or concerns regarding your child's instrumental class, this is the first point of contact with the instrumental teacher.

Parent information evenings will be held to provide parents with an opportunity to receive more information about the program. If you are unable to attend one of the meetings, please do not hesitate to contact me at the email address below.

All meetings begin at 7.30pm and should conclude by 8.30pm. Direction signs from the main school entrance to the venue will be displayed on site.
