

Dear Parents

Your child has been selected in the Sutherland Dianella PS Team to participate in the Law Society of WA's **Cluedunnit** Kids Competition.

The *Cluedunnit Kids* Competition provides Year 6 student teams with an opportunity to "investigate" a criminal offence with the goal of identifying the offender. Teams then submit their findings in electronic or written form to a panel of experts from the legal profession and compete against other student teams from schools across Western Australia.

The educational benefits of this project spans all the key learning areas, as children will be learning to develop research, analytical and creative skills; teamwork; argumentative skills; and meet cross-curricula requirements for the Western Australian Curriculum.

The *Cluedunnit Kids* Competition is particularly relevant to Year 5 and Year 6 Western Australian Curriculum Civics and Citizenship programme.

The competition begins February 22 and submissions close May 17. The students will be expected to work independently and cooperatively in a team with supervision. There may be tasks to do at home.

For further information about the competition can be found on the Law Society WA website: <https://www.lawsocietywa.asn.au/community/francis-burt-law-education-programme/special-programmes-and-events/cluedunnit-kids-competition/>

If you would like more information or have any questions or concerns, please contact me at school or via email. Parents or students can email me at tricia.mitchell@education.wa.edu.au

Please complete the attached slip if you give permission for your child to participate in Cluedunnit.

We hope your child will find Cluedunnit a challenging and rewarding learning experience.

Yours Sincerely
