

# Partnership with Parents Session

## CODING

Vanessa Trinca will present an informative and hands on workshop about Coding at Sutherland Dianella. This presentation is suitable for parents or caregivers of students from Kindy to Year 6.

The session will explore questions such as What is Coding?  
Why is Coding important for our 21st Century learners?  
Why do students love coding?

Vanessa will share information about good quality and engaging apps and websites for teaching coding. You will learn the basics of coding using some of our coding apps and have a go at programming some of our robots.

It promises to be both an informative and enjoyable morning.

**Wednesday 17 May 2017 (Week 4 )**
