

Don't Dream It's Over – Neil Finn, Nick Seymour, Paul Hester

Verse 1 *mp*

There is freedom within, there is freedom without
Try to catch the deluge in a paper cup
There's a battle ahead, many battles are lost
But you'll never see the end of the road
While you're traveling with me

Chorus *mf*

Hey now, hey now	ooh ahh
Don't dream it's over	dream it's over
Hey now, hey now	ooh ahh
When the world comes in	world comes in
They come, they come	ooh ahh
To build a wall between us	walls between us
We know they won't win	

Verse 2 *mf*

Now I'm towing my car, there's a hole in the roof
My possessions are causing me suspicion but there's no proof
In the paper today tales of war and of waste
But you turn right over to the T.V. page

Chorus *mf*

Middle 8 *f*

Verse 3 *f*

Now I'm walking again to the beat of a drum
And I'm counting the steps to the door of your heart
Only shadows ahead barely clearing the roof
Get to know the feeling of liberation and release

Chorus *f*

Outro *mf*

We know they won't win x 4
