GROWTH MINDSET

Growth Mindset is a whole school initiative at SDPS. Come along to find out more about 'Growth Mindset' and how it is implemented at SDPS. We will explore the key ideas behind 'Growth Mindset' such as What is a Mindset? How does mindset influence our behaviour, motivation and achievement? What is the difference between 'Fixed Mindset' and 'Growth Mindset'? What can we all do to develop a Growth Mindset?

Alexis Francke (Year 6) and Angie Panting (Year 3/4) will present how they integrate 'Growth Mindset' into their classrooms at SDPS.
