

Quality Area 1: Educational Program and Practice

Following the staff 2 day professional learning the early years have begun using a new program *Talk 4 Writing*. This program has been used by many other schools in Australia and even other countries around the world. The Kindy and Pre-primary classes have learnt the story 'We're Going on a Bear Hunt'. Here is C4-B improvising on the story to make 'We're Going on a Turtle Hunt'.

Quality Area 5: Relationships with Children

At SDPS, children are supported to interact, build and maintain relationships with each other in the classroom and playground. Kindy A and B have been lucky enough to have a class set of iPad's. This is the first time Kindy have been able to use them in daily programs and routines. As there is not enough iPad's for each child sometimes we have to share. The children are becoming very good at taking turns with their friends. Here are some photos of Shaban and Ray taking turns.
