

News Topics - Term 4

Dear Parents / Caregivers,

The following news topics have been requested by the students for Term 4. Telling news is a part of the speaking and listening component of the curriculum and therefore will be assessed twice this term. Students may bring in visual aids to assist their news telling (e.g. books, photos). Please see me if you have any questions or concerns.

Regards,

Mrs Scorda

Week 1	Holidays
