Dear Parents and Guardians,

I'd like to welcome you all back to another exciting and fun filled year. I hope your child finds 2017 interesting and successful both academically and socially.

My name is Vanessa Trinca and I'll be teaching in A2 this year. I am very excited to work with your child, watching them grow and develop throughout the year.

Once again we have a busy year with many events coming up and lots happening both inside and outside the classroom. I'd like to take this opportunity to invite you to a Parent Information Session that will be held in Week 2 of Term 1. I have a morning session on *Tuesday 7 February at 8:00am* and one on *Thursday 9 February at 3:15pm*. Both sessions will be in the classroom.

Each session will run for approximately twenty minutes and I will outline what is happening in A2 and what you can expect throughout the year. It is a time where you can raise any queries or questions, familiarise yourself with the classroom setting and have an understanding of what your child will be learning. A 'Parent Pack' will be handed out on the day that includes relevant information for the term and year ahead.

This year I will be uploading all information on our class Connect page that is accessible via the school's website. Please visit the page regularly to stay up to date with our class.

If you are unable to attend any of the Parent Information Sessions the 'Parent Pack' will be uploaded to Connect and the school website.

I look forward to meeting you, if you have any questions please don't hesitate to contact me.
