

Dear Parents and Caregivers

Your child is invited to the Mathletics reward lunch for achieving a Gold Mathletics certificate in 2015. To achieve a Gold certificate, the students had to earn 20 certificates during the year by gaining at least 1 000 points for each certificate. We wish to congratulate them and celebrate their hard work and achievement.

Date: Wednesday 9 December 2015

Time: 12.00pm – 1.00pm

Place: Picnic lunch in the shade outside and games in the library

For lunch, students will be offered a cold meat and salad roll, juice box and icy pole. After eating, there will be a time to play some fun maths games.

Throughout the lunch and games, students will be supervised by Tricia Mitchell (Classroom Teacher and Learning Support Coordinator).

Please fill out and return the form below, by Monday 7 December and return to the classroom teacher. Please contact me at school if you have any questions.

We look forward to sharing this reward lunch with your child.

Yours Sincerely

Tricia Mitchell and Ian Wilson

Maths Curriculum Team

I have read and understood the attached information about the Mathletics Reward Lunch. I give consent for _____ to attend the Mathletics reward lunch on Wednesday 9 December 2015.

I give permission for my child to eat the food provided including a cold meat and salad roll; fruit; juice box; and icy pole.

Please advise if your child has any special dietary/allergy requirements:
