

Partnership with Parents Session

RESILIENCY IN CHILDREN

Resiliency or the ability to '**Bounce Back**' is much talked about in schools and in life. Come along to find out more about the ability to 'Bounce Back'. We will explore the key ideas behind 'Resiliency' such as What is it? What does it look like at school? What does it look like at home? How can we develop resiliency in our children? How is our own resiliency? How do we model resiliency to our children, families and friends?

Ellie-Rose Markovic and Kate Caiacob, Curtin University Social Work students, will present this informative and thought provoking session about Resiliency.

**Wednesday 6 September 2017
