

Technology Team 2017

The Technology Team is continuing at Sutherland Dianella Primary School for 2017, beginning in Week 8. The Technology Team will be made up of two representatives from each class; from Years 3 to 6.

Team Member Tasks will include:

- To assist as a trouble-shooter with students in their class who need help with any activities on the iPads or laptops.
- Familiarise with new and existing apps on the school iPads.
- Assist in other classes when required.
- Keep up to date with Cyber Safety rules and strategies. This will include planning and delivering a presentation to other classes on Cyber safety.
- Participate in the involvement of Coding and Minecraft.

Your commitment:

- **Attend a fortnightly lunchtime meeting with Miss Trinca in the STEM Space.** This time will be used to discuss and solve technological issues and challenges at school. Learning how to use apps on the school iPads so that you will be confident enough to help in class when they are being used.
- **Assist in your class and with other classes on a needs basis.** A timetable will be drawn up if required to allocate time in the junior classes.

If you have other commitments on your assigned day you need to let Miss Trinca know so I can organise other helpers.

Rewards

- At the end of each semester there will be a reward activity planned.
- You will be provided with a badge to show you are a Technology Team Representative, which is worn on your collar
- Values tokens are awarded to those who perform over and above the call of duty.

Good luck with your application. You will be advised shortly, if you have been successful in becoming a member of the Technology Team for 2017.

Regards

Miss Trinca
Technology Team Coordinator
