SDPS Community Charter • Relationships • Respect • Responsibility

When schools and families work together children have a far better chance of being successful in school and in life. Our Community Charter underpins the partnership between SDPS and our families. We acknowledge the school vision, core values and core beliefs. Our Community Charter is based on three qualities: Respect, Responsibility and Relationships. It acknowledges and promotes the various roles of parents and carers as integral members of our school community and partners in the education of their children.
