

Good Standing Framework

Good Standing is underpinned by the following key principles of restorative practice:

- Positive interpersonal relationships are a major influence on behaviour.
- A culture of care supports all individuals in the school community.
- Cultural receptiveness and responsiveness is key to creating learning communities to mutual respect and inclusion.
- A restorative approach leads to individuals taking responsibility for their behaviour.

Good standing

All students commence with and retain good standing while exhibiting behaviours that align with the school's values and beliefs.

Loss of good standing

Loss of good standing occurs after a suspension or series of behaviours that are not aligned with the school student behaviour guidelines.

Shared responsibility

In partnership with students, their parents/carers and the school community, we share expectations and responsibilities for student behaviour.

Social and Emotional Learning

Sutherland Dianella Primary School aims to support the physical, social, intellectual and emotional development of all students. Through the use of range of evidence-based framework, programs and strategies, Sutherland Dianella Primary School provides a safe, inclusive and caring learning environment where belonging and connectedness are paramount.
