

Helping Hands Sutherland  
Dianella

The December/ January vacation care was a busy time for Helping Hands! We did some amazing excursion/incursions and the children especially enjoyed the movies, Perth Zoo & Nostalgia Box Museum.

**Our focus for Term 1 is Sustainability and Community involvement, for our sustainability we will be focusing on our Adopt-a-Park program every Wednesday and Friday afternoon. Our Adopt-a-park program we have adopted Sutherland Dianella Oval our special job will be to help keep the oval clear of rubbish.**

**Our Community involvement we ask families to please donate any SEALED WET OR DRY dog, cat, rabbit, chicken food we will have a box in the Parent Room and at the end of week 5 we will be donated all proceeds to the RSPCA.**

***Focus on the process of learning, rather than the end product of it. – Jean Piaget***
