

Frankie Sollis

My name is Frankie Sollis. I am a third-year Social Work student from Curtin University and I will be completing my first Fieldwork Placement at Sutherland Dianella Primary School this Semester. Social Work is about working with individuals, families and the community to improve wellbeing.

I grew up in Bayswater and went to high school at John Forrest Secondary College. I graduated in 2018. I also lived in Fiji for 18 months when I was 12-13 which gave me some insight into another culture. I work in a local café. I enjoy cooking and mainly make Asian food. I am looking forward to being able to travel again soon.

I am really excited to meet the students, parents and staff this Semester and to work with you all.
