

Tessa Gilson

Hello! My name is Tessa and I am a 3rd year Social Work student from Curtin University. Over the next term and a half, I will be doing my placement at Sutherland Dianella Primary School.

I love exercising at the gym, going to the beach on beautiful summer days and spending time with friends!

Social work is about acknowledging and addressing external factors to improve wellbeing. In the context of working at S.D.P.S., this will mean I hope to work with students, parents and teachers to create an environment where best learning and social wellbeing can be achieved.

I believe every student has the ability to flourish and achieve their goals within their schooling experience and therefore my focus will be to provide support during this journey.

I'm very excited to be getting to know everyone over the next 14 weeks!
