

Dear Parents and Carers

As of today, 14 March 2017, the supply of uniforms for Sutherland Dianella PS will be changing. All orders will now be placed online and uniforms will be delivered to the school each week. Alternatively, parents can pay to have uniforms shipped to their own home (for a fee) if they wish.

The uniform shop is no longer open for parents, however for the next few days, we will sell uniforms over the front counter, until we transition to the online system. Details will follow in the coming days of the new system and pricing.

We would like to thank Leisa Steel who has run the uniform shop for the past eight years for the P&C. It has been a huge commitment from Leisa and from the many volunteers who have helped to run the uniform shop.

Should you have any queries regarding uniforms, please direct them to info@sdps.wa.edu.au

Regards

Jenn Allsop

Principal
