Relationships SDPS Community Charter

Relationships nurture the collaboration that is so necessary for strong community partnerships to survive and to help students succeed in school. The SDPS community develops respectful relationships and inclusivity by:

- Working together with school teachers and staff, collaborating to ensure every student gets the best education that suits their needs
- Becoming involved in parent groups, class forums, the P&C and school events
- Communicating frequently and respectfully with others
- Building and nurturing a sense of community, ensuring SDPS is welcoming and inclusive for all.

As a collective we are committed to ensuring our children are challenged and supported to become confident and independent learners, who achieve their personal best.
