Respect SDPS Community Charter

Respect is one of the school's core values. In building mutual respect, the student, the family and the school are valued and appreciated. The needs of our students come first and this forms the basis of all interactions. Members of the SDPS community demonstrate respect by:

- Acknowledging that our children's education is a shared responsibility between family and the school
- Working to instill a positive attitude towards school and motivating students to achieve their best
- Attending school information sessions and meeting with teachers as the need arises or when requested
- Contacting the school immediately if there is a concern or problem and resolving grievances appropriately Respecting and supporting school policies
- Respecting the skills, knowledge and experience of school leaders and teachers
