

## TECHNOLOGY TEAM REPRESENTATIVES

The Technology Team is continuing at Sutherland Dianella Primary School, beginning in Week 6. The Technology Team will be made up of two representatives from each class; from Years 3 to 6.

### TEAM MEMBER TASKS WILL INCLUDE:

- To assist as a trouble-shooter with students in their class who need help with ICT activities
- Look after technology within the school
- Familiarise themselves with new and existing apps on the school iPads
- Assist in other classes when required
- Participate and assist with Coding clubs

### YOUR COMMITMENT:

- Attend a weekly lunchtime Coding session with Mrs Papalia in the Library.
- Assist in your class and with other classes on a needs basis
- Looking after equipment. Making sure that the iPads, laptops and other technological equipment is charged and in the right spots allowing all classes to use them

If you have other commitments on your assigned day, you need to let Mrs Papalia know so she can organise other helpers.

### RECOGNITION

- You will be provided with a badge worn on your collar to show you are a Technology Team Representative
- Reward points will be awarded to students who perform over and above expectations

Good luck with your application. You will be advised shortly if you have been successful in becoming a member of the Technology Team for 2021.

Regards

Mrs Papalia  
Technology Team Coordinator
